

*Your moments...spontaneous & heartfelt*

"We could not be more thrilled with our photo shoot and subsequent album! Rachel was able to capture my toddler twins in a variety of beautiful settings, capturing a wide range of moods and emotions. Rachel is not only an extremely talented photographer, but also a lovely person and a pleasure to work with. Can't wait to book next year's shoot"

"Rachel was a HUGE help with our annual golf outing. She was able to assist on short notice and captured everything I needed with very little direction. She and her team are an absolute pleasure to work with and we look forward to working with them again very soon." -ESPN

"I have been meaning to write to you ever since we laid eyes on your amazing photographs. This family has had more than our fair share of photographers at our events--your work is at another level of artistry compared to any other's that I have seen. You certainly have a gifted "eye," and coming from an eye doctor, that is a professional opinion! We can't stop looking at the slide show that you made, and that first photo resides on my iPhone and has been shown to many, many people. Thank you again for your terrific work"

"I just wanted to say THANK YOU, from the bottom of my heart for your time, efforts and creativity!!! Not only did we have a blast, but what's funny is that I hardly remember you w/ a camera in front of your face for the 1 hr you were here. Meaning, we were just there, living and playing and having so much fun, that I felt like you were just a friend there hanging out, not a photographer there taking pics of us! I love that! Thank you for your caring methods in photographing us! The pics are gorgeous and I cant tell you how many peopled are wowed by them all over the world.

"Rachel, the pics of the reunion look so incredible! Everyone has commented on what a great idea it was to have a photographer there and people are so happy to have the memories of that evening captured on film. You really nailed the whole vibe of the evening, showing that everyone was there just to have a great time reminiscing and reconnecting. Thanks again for your professionalism and for helping to make our night such a success!" -Ardley High Reunion

"My husband & I are not the kind of people who take many pictures, sure we have pictures of our boys, but your photos captured their personalities and bring a smile to our faces every time we look at them. My husband was so taken with them, he's shown them to everyone at work and he is asking for more!"

"My husband and I could not be more pleased with the quality of service and pictures you took of our family. The way you got professional quality shots in a natural, candid setting was incredible. I take a ton of pictures of my kids but these pictures, unlike those, have an artistic quality to them. I would definitely use you again!! "
